

# WORK COMP 101

## STAFF AND PHYSICIAN IN-SERVICE TRAINING

### Is your staff frustrated by the system?

**CSIMS** offers customized, on-site, in-service training for physicians and staff focused on:

- ▶ Increasing efficiency,
- ▶ Bridging the gap between what is billed and what is collected,
- ▶ Minimizing the time needed to collect.

1. The basics of the Workers' Comp system - **Work Comp 101** - the life of a claim.
  - *What is really going on when an injured worker or attorney calls?*
  - *The how and why of the workers' comp system.*
  - *How to keep it all straight.*
  - *A procedure manual.*
2. Intake/qualifying and scheduling procedures dedicated to improving the quality of service and reimbursement.
3. Communication with injured workers, attorneys, claims professionals, other treating physicians and any consulting physicians, and avoiding prohibited ex parte communications.
4. Review of QME and AME regulations.
5. Written report content and compliance with Rule 10606.
6. The RBRVS fee schedule, Second Request and Independent Bill Review process have changed everything. Learn what you still may not know about these changes!
7. How to bill properly using the Medical-Legal Fee Schedule.
8. Getting paid properly for contesting UR denials.
9. Regulatory compliance.

**20% DISCOUNT** on a future WorkComp 101 In-Service Consultation provided for those who register for the Mid-Summer Seminar by May 1, 2016!

Training to be delivered between July 1, 2016 and January 30, 2017.
