

Instructions for Joining the Vectorborne Disease (VBD) Group and Accessing VBD Discussion Board Forums

To access the Vectorborne Disease (VBD) webpage and discussion board forums, you must be logged in to the CSTE Website (www.cste.org).

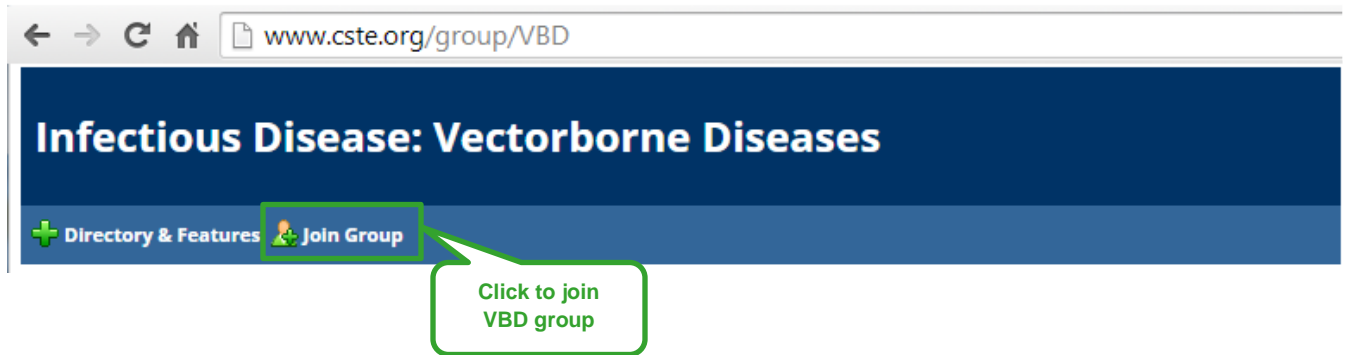

1. Log in to the CSTE website (www.cste.org)

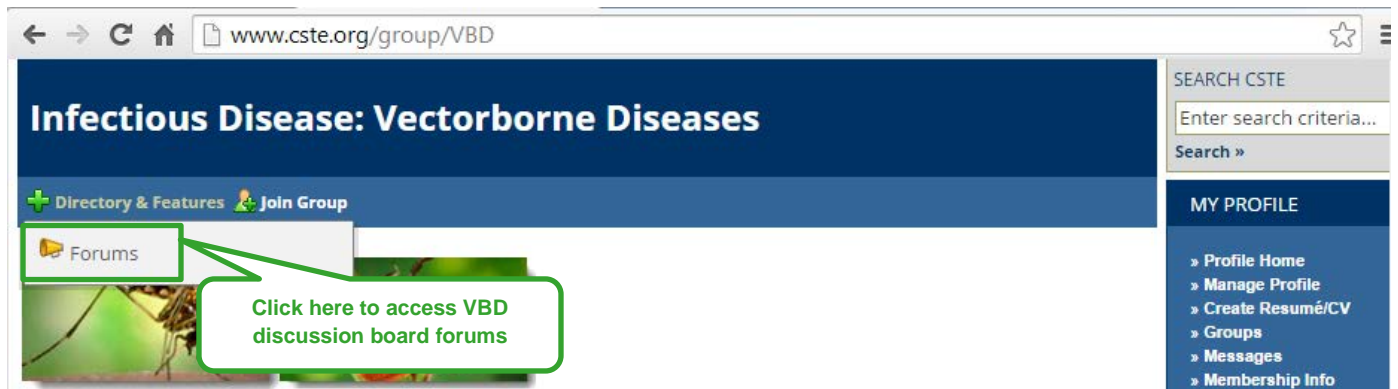

2. Under the Program Areas tab, find the Infectious Disease selection and click on the link to the VBD webpage.

- To join the VBD group, click the “Join Group” button near the top of the screen.

- To access the discussion board forums, click on “Directory & Features Tab” near the top of the screen. Choose “Forums” from the drop-down menu.

- Open a forum to see topics and posts

6. Open a topic to read posts

The screenshot shows a forum interface. At the top is a dark blue header with the text "General Discussion". Below this is a navigation bar with "Group Home" and "Directory & Features". A breadcrumb trail reads "Infectious Disease: Vectorborne Diseases Forum Index » General Discussion". Below the breadcrumb is a "Moderator(s):" section. A grey bar contains "Page 1 of 1" on the left and a "Forum Actions" dropdown on the right. A table lists forum topics with columns for "TOPICS", "REPLIES", "AUTHOR", and "LATEST POST". A green callout box with the text "Click here to open this topic" points to the first topic link in the table.

Welcome to the Vectorborne Diseases Subcommittee Discussion Board Forums!

This members-only resource allows members to share protocols and best practices with each other and serves as a medium for jurisdictions to pose questions/concerns and engage in open discussion with other jurisdictions on issues of importance to vectorborne disease epidemiology.

Attached (see below) are the instructions for accessing and using the VBD discussion board forums.

For questions or additional information, please contact Dhara Patel at the CSTE National Office at dpatel@cste.org.
