Support the SHRM Foundation supporting members since 1966

The SHRM Foundation is the charity affiliate for SHRM that delivers scholarships to student and professional members and develops evidence-based practices for the workforce.

In 2016, thanks to the support of donors and sponsors, the SHRM Foundation will award more than 225 scholarships worth more than \$295,000.

The SHRM Foundation awards scholarships that allow professional and student members the opportunity to:

- Pursue undergraduate and graduate degrees
- Obtain SHRM-CP and SHRM-SCP certification
- Attend Annual Conference & Exposition and Talent Management & Exposition

The SHRM Foundation provides the following complimentary resources with evidence-based solutions for the workplace:

- Effective Practice Guidelines
- Executive Briefings
- Research Reports
- Recently published resources include information on worksite wellness, generational conflict and leading effective change.
