About the Environmental Bankers Association...

Established in 1994, the Environmental Bankers Association (EBA) is a non-profit trade association that represents the financial services industry, including bank and non-bank financial institutions, insurers, asset management firms and those who provide services to them. It's members include lending institutions, property and casualty and life insurers, the environmental consulting and appraisal community and attorneys.

Each year, the most prominent group of Environmental Bankers travel to attend the largest events sponsored by EBA. These influential leaders participate in networking opportunities and education sessions designed to assist them in the future of the ever-changing banking industry with regards to environmental risk management and sustainable development lending. Being a Sponsor with the EBA during these events not only expands your business through branding but it also means that you have gone the extra mile to show our members what their business means to you.

The Fine Print on EBA Sponsorships

- ❖ EBA shall not refund, rebate, or credit any fees associated with Sponsorship.
- ❖ EBA reserves the right to refuse to sell sponsorship, exhibit space or advertising to any company it deems objectionable or cross-purposed to the association's mission.

Payment Policy:

All payments for the January Conference are due by December 13, 2016 or net 45 days, whichever comes first. Failure to pay in full by deadline date will result in a late payment fee of 15% of total sponsorship package. Please note that payment can be made with a credit card at the time of registration.

Registration and Marketing Benefits:

Sponsorship registration is required before pre-event marketing benefits begin. Marketing benefits are effective as soon as registration is received, regardless of payment option. If you prefer a contract and invoice instead of registering online, please contact Lisa Kraus Gardner at lisa@envirobank.org.

Space Assignment Considerations:

Exhibit spaces are table-top displays and include one (1) 6-foot table and two chairs. All exhibits will be assigned on a first-come, first-served basis, after priority given to Sponsor levels. Specific table assignments may take into account the amount of space required, exhibiting history, type of physical exhibit, and product type. Exhibit space is not guaranteed until written confirmation is sent by EBA. Exhibit assignments will be made by December 13, 2016.
