

EPS Europhysics Conference Grants

The EPS makes grants available to organisers of Europhysics conferences to allow for the participation of young scientists who otherwise would not be able to attend.

Only EPS Europhysics Conferences are eligible.

The maximum grant per conference is Euro 1,000

Selection procedure and criteria

EPS Europhysics Conferences are eligible to receive a number of grants based on the expected number of participants and need of the particular meeting. A simple email requesting an EPS conference grant, indicating the expected number of participants and the number of grants requested is all that is necessary to apply.

Conditions for participation

- Recognition as an EPS Europhysics conferences.
- Recipients of the grants should not normally have received their PhD more than 6 years (or equivalent) prior to the application and present a contribution, studying or working at a European institution or demonstrating economic need.
- Conference organizers are required to include the EPS logo on conference advertising material, and include any advertising material from the EPS into the conference bag.
- The conference organizers give an amount, not exceeding Euro 350.-, to each recipient to support travel and local expenses, and agree to waive registration fees.

Reporting

- Conference organizers are obliged to send a report giving an overview of the conference.
- The organizers are obliged to send the contact information of the grant recipients.

Time Period

Applications may be made at any time, normally at least 6 months prior to the start of the conference. The decision process requires approximately 2 months.

How to Apply

Applications can be made by sending an email to conferences@eps.org with Curriculum Vitae
