

# EPS Invited Speaker Grants

**The EPS makes grants available to organisers of Europhysics conférences to contribute towards costs of invited speakers.  
Only EPS Europhysics Conferences are eligible.  
The maximum amount of the grant is Euro 500.**

## Selection procedure and criteria

- All Europhysics conferences are eligible.
- Normally, no Europhysics Conference will receive speaker grants for successive conferences.
- The Grants Committee will make the selection on the basis of quality of the speaker and talk, and on the implementation of EPS policy goals. Conference organizers should be aware prior to applying for the grant that the grants are competitive, subject to availability of funds.

## Conditions for participation

- The conference needs to be organized by an EPS Division or Group, and be registered as a Europhysics Conference.
- Conferences that receive EPS Invited Speaker Grants must explicitly announce the invited speaker receiving the grants in the programme as "EPS Invited Speaker".

## Reporting

- The contact details for the invited speaker must be communicated to the EPS Secretariat.
- The Invited Speaker should be informed that he/she may be contacted by the editor of Europhysics News inviting a feature article based on his/her contribution.

## Application procedure

- Applications should be made to the Grants Committee at least 6 months prior to the conference
- Provide the name of the invited speaker
- Explanation or the choice as invited speaker indicating what policy goals are being addressed
- Provide an abstract of the presentation to be made.

## Time Period

Applications may be made at any time, normally at least 6 months prior to the start of the conference. The decision process requires approximately 2 months.

## How to Apply

Applications should be sent to :  
EPS Secretariat  
Conference Committee  
6 rue des Frères Lumière  
F-68200 Mulhouse  
or by email: [conferences@eps.org](mailto:conferences@eps.org)
