Ten-Year Index
Volumes 31–40 • 1987–96

From the Editor
This fourth ten-year index spans the period of transition from the publication of Ethnomusicology by the Society for Ethnomusicology to its publication by the University of Illinois Press, which began with volume 36 in 1992. Many thanks are due to those involved in this changeover, particularly to Jeff Titon, the transitional editor; to Judith McCullough, chair of the SEM Editorial Advisory Board; and to Carole Appel, journals manager at the Press at the time of transfer, Ann Lowry, current journals manager, and Cynthia Mitchell, journals editor at the Press. This index was prepared by Giancarlo Vulcano and Jaime Jones, both students at Sarah Lawrence College and editorial assistants during my term as editor. On behalf of the Society, I extend much gratitude to them, the officers and business office staff of SEM, the team at the University of Illinois Press, and the various editors, reviewers, compilers, manuscript readers, and authors whose expert work is represented herein.
