</tbody>
</table>
**Session III: GDPR Implementation**

In less than a year from now, on May 25, 2018, the GDPR will come into effect which represents a significant change in how data will be handled around the world. So how will Telcos respect privacy concerns while still permitting the use of big data to drive business value?

16:15-17:00  
**All participant to present the following information (Max 5 slides):**
- Current structure of Data Privacy department (levels, number of people, reporting lines, DPO)
- Status of the GDPR implementation (what is completed/what are the next steps)
- How the GDPR implementation is tracked (Specific KPIs used)?
- Recent successes
- Biggest challenges  

**All Participants**

---

**Session IV: The EU perspective**

17:00-17:30  
*Free flow of data, privacy and cybersecurity - by design*

Juhan Lepassaar,  
Head of Cabinet for Vice President Andrus Ansip

---
