

The Florida Psychiatric Society
2018 SPRING MEETING

April 13-15, 2018

Rosen Shingle Creek, Orlando, Florida

Activities

Presidents Reception - Friday Evening, April 13

Mingle with your colleagues and enjoy a light dinner and beverages prior to attending the evening CME activity.

FPS Alliance Breakfast Meeting - Saturday Morning, April 14

Spouses and partners of FPS members are invited to attend a relaxed breakfast sponsored by the FPS Alliance. Please join us, see old friends, make new ones and learn about the FPS Alliance program. The Alliance grant program helps recipient FPS RFM Members attend FPS meetings.

Reception, Dinner, Award Ceremony - Saturday Evening, April 14

Plan for a fun-filled evening featuring FPS' reception and dinner.

Lunch & Learn - Saturday, April 14

Lunch & Learn programs are complimentary, non-CME presentations that provide the opportunity to hear scientific information directly from industry. Lunch & Learn programs may concentrate on a specific product, service or device. Seating may be limited and require registration. Go to the FPS website for more information or contact Jan Starnes at 1.800.521.7465 or jan@floridapsych.org.

Meeting Registration Fees	Fees Paid By 3/31/2018	After 3/31/2018

The Florida Psychiatric Society
2018 SPRING MEETING

**AFTER
THE SHOCK...
TREATING TRAUMA**

April 13-15, 2018

Rosen Shingle Creek
Orlando, Florida

AFTER THE SHOCK... TREATING TRAUMA

Both patients and doctors are dealing with the aftermath of various traumas at an individual, family, and societal level. Working towards recovery and enhancing resiliency is paramount.

The Florida Psychiatric Society (FPS) Spring CME Meeting is devoted to providing the latest understanding of etiology, multi-modal treatments, and resources for trauma-related disorders.

Join us for an exciting and expert slate of speakers presenting a variety of topics related to this theme. You will have the opportunity to earn 11 continuing medical education (CME) credits and we will also report, on your behalf, your earned CME credits to CE Broker*.

The program is thoughtfully designed to offer interactive sessions with the latest in diagnosis and cutting edge treatments from experts. Our networking breaks and receptions provide the opportunity to engage in discussion with your peers.

The Florida Psychiatric Society 2018 Spring CME Meeting delivers activities with expected results articulated in terms of competence, performance or patient outcomes, as the result of the program.

As always, our meetings are informative and fun, and they offer an opportunity to connect or re-connect with colleagues.

Meeting Accreditation

 The Florida Psychiatric Society is accredited by the Florida Medical Association to provide Continuing Medical Education for physicians. The Florida Psychiatric Society designates this live activity for a maximum of 11.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Meeting Disclosure

The Accreditation Council for Continuing Medical Education (ACCME) has mandated that all speakers must disclose financial relationships with any commercial interest that produces, markets, re-sells, or distributes health care goods or services consumed by or used on patients, that has a direct bearing on the subject matter of the CME activity in which they are involved. Having a financial interest in or affiliation with any corporate organization providing support for a program does not prevent a speaker from making a presentation, but the relationship must be made known in advance to the audience in accordance with the Standards for Commercial Support of Continuing Medical Education of the ACCME.

FPS Mission Statement

The Florida Psychiatric Society will continuously seek to improve the ability of its members to provide quality treatment for persons with mental illnesses.
