Florida Psychiatric Society

Tomorrow’s Psychiatry: Preparing for Our Future

2015 Fall CME Meeting
September 18-20, 2015
Tampa Marriott Waterside
Tampa, Florida
F Spirality: Preparing for Our Future

FPS represents you and your professional interests. Our programs are always designed for continuing medical education. The live sessions include an interactive audience response system and time for attendees to have questions answered whether at the end of each session or while mingling at breaks, receptions or in the exhibit area. From the latest in diagnosis or cutting edge treatments, our programs deliver what you need.

Friday, September 18, 2015

6:45 p.m. - 9:15 p.m. • A Dangerous Method: When Treatment Is Compromised by Boundary Crossings and Boundary Violations (2.5 CME)

At the conclusion of this presentation, participants will be able to:
- 1. Identify characteristics of boundary crossings.
- 2. Define characteristics of boundary violations.

**Tomorrow’s Psychiatry: Preparing for Our Future Mission Statement**
Designed for psychiatrists, these continuing medical education live activities will provide information to maintain and expand competency and special medical knowledge.

**Meeting Accreditation**
The Florida Psychiatric Society is accredited by the Florida Medical Association to provide Continuing Medical Education for physicians. The Florida Psychiatric Society designates this live activity for a maximum of 12.5 AMA Physicians Recognition Award (PRA) Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Meeting Disclosure**
The Accreditation Council for Continuing Medical Education (ACCME) has mandated that all speakers must disclose any affiliation with a commercial organization, which is supporting the CME activity or whose products, research, or services may be addressed in their presentations. Having an interest in or affiliation with any corporate organization providing support for a program does not prevent a speaker from making a presentation, but the relationship must be made known in advance to the audience in accordance with the Standards for Commercial Support of Continuing Medical Education of the ACCME.

Activities

Please Join Us
Spouses and partners of FPS members are encouraged to attend the FPS Alliance breakfast meeting Saturday, September 19, at 9:30 a.m. in the Waterside Grill Restaurant. The Alliance grant program supports FPS psychiatric residents attending our meetings.

Reception, Dinner, Silent Auction and Wine Toss
Plan for a fun-filled Saturday evening, featuring FPS’ reception, dinner, an abundance of silent auction items and, back by popular demand, the ring toss. Toss the rings and take your bottle or bottles of wine home with you!

FPS Mission Statement
The Florida Psychiatric Society will continuously seek to improve the ability of its members to provide quality treatment for persons with mental illnesses and substance use disorders.
