

## Forensic Nursing - Excellence

**Cathy Narcavage-Bradley**

**LOCATION:** Syracuse, NY, USA

**WORK SETTING:** SANE - adult and pediatric patients. NYS IAFN Chapter President

**NURSING ROLE:** Community based SANE Program

Cathy has been a member of the Onondaga County SANE Program since 2013, in addition to her position as a health educator at SUNY Upstate Medical University. She has attained both SANE-A and SANE-P certification. She has also served as the President of the NYS IAFN chapter for the past 2 years and can be credited with the chapter's revival and success. Cathy values education, and seeks out opportunities to share her knowledge with others. She prepared and provided presentations to community groups on Trauma Informed Care of the Sexual Assault Patient. She deserves recognition for her commitment and professionalism in the forensic nursing field.
