

Forensic Nursing - Excellence

Heidi Bresee

Rockville, Maryland

Work Setting: Medical Director, Forensic Medical Unit, Shady Grove Medical Center.

Heidi Bresee has worked tirelessly to serve the community of Montgomery County, Maryland as a Forensic Nurse Examiner and Pediatric Nurse Practitioner over the past 15 years. Heidi demonstrates compassion and expertise with each patient she encounters. Additionally, Heidi is constantly working to improve the services her unit provides and collaboration of services within the community. Heidi not only ensures that her patients have world class care but serves as a mentor as well.

As the Medical Director of her unit, she instills a growth mindset in each nurse she supervises and provides consistent support and expertise.

She is highly respected within the institution in which she serves and in the community as a whole. Most recently, Heidi's work with Human Trafficking has assisted in better identification of victims and coordination of services they receive. For these reasons and more, I nominate Heidi for IAFN Peer Recognition.
