

Forensic Nursing - Excellence

Misty Hunter

Kyle, South Dakota

**Work Setting: SANE Certified Nurse Lead Nurse
Women's Health at Kyle Health Center**

Misty is the only SANE Certified nurse servicing the Northern Pine Ridge Reservation. She also is the only On-Call Nurse for this region. Misty has dedicated countless hours to her community and people on the Pine Ridge Reservation without hesitation. I absolutely cannot express my immense gratitude and appreciation for her contribution to the Native population on the Pine Ridge Reservation.
