

Rosalyn Walker is the Coordinator of the Forensic Nurse Examiner Program at St. Thomas More Hospital in Cañon City, Colorado, and facilitator of the multidisciplinary Coordinated Response Team. Rosalyn has been a registered nurse for twelve years and first became trained as a SANE at the University of Pennsylvania in 2006. She has a Master's in Nursing Education and teaches part-time for the local community college Nursing program and for hospital Staff Development. Her nursing experience in addition to SANE includes 7 years of Emergency/Trauma Nursing, and 5 years of Pediatrics. When she is not serving the community, Rosalyn enjoys hiking with her husband and their two Brussels Griffons.
