

# Forensic Nursing - Excellence

**Zenaide C. Medeiros**

**Brazil**

**Work Setting: Brazilian Association of Forensic Nursing, emergency mobile care service – SAMU**

**Zenaide Cavalcanti de Medeiros Kernbeis is one of the founders of the Forensic Brazilian Nursing Association in Brazil. She has extensive experience in pre-hospital emergency care and works hard to reduce the suffering of victims of violence. She's a wonderful person and skilled educator who is dedicated to expanding the field of Forensic Nursing in Brazil. Currently, she is teaching the first class of forensic nurses to graduate in Brazil. In June 2015, she brought the first FNE course to Brazil, taught by Virginia Lynch, Jamie Ferrell and Albino Gomes.**
