2015 PROGRAM COMMITTEE

Simon Mears, MD PhD
University of Arkansas for Medical Services

Arvind Nana, MD
University of North Texas Health Science Center

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the International Geriatric Fracture Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NETWORKING LUNCHEON FOR PROGRAM DIRECTORS

IGFS is pleased to offer another opportunity this year for our Geriatric Fracture Care Program Directors and Coordinators to network and discuss key challenges, opportunities, and best practices. The luncheon will take place at the start of the IGFS Annual Meeting on October 7th.
On behalf of the leadership of the International Geriatric Fracture Society, I would like to extend a very special invitation to all of my colleagues to consider joining us for the 2015 Annual Conference.

The Annual Conference is our opportunity each year to reconnect, share best practices, and celebrate our progress along the journey to improve Geriatric Fracture Care across the Globe. The Conference has grown over the past few years to truly become a signature event recognized for the quality of the education and networking available for our focused community. This is a program you cannot afford to miss!

The IGFS continues to make great strides in our mission to be a recognized leader in advancing care for our unique patient population. Our influence continues to grow as organizations are actively seeking the expertise of our members and collaboration with our Society. I thank each of you for your continued outreach in advancement of our goals.

Thank you for attending the annual conference and thank you for the privilege of serving the profession as your President. Please let the leadership and staff of our organization know if there is anything we can do to ensure a terrific meeting.

Sincerely,

Michael Suk, M.D., J.D., M.P.H.
President, IGFS 2015
2015 ANNUAL MEETING
Wednesday, October 7, 2015
Manchester Grand Hyatt | San Diego, CA
Room: Balboa A-C

11:15-12:45pm  Program Coordinator Networking Luncheon
