

OPERATION SAFE DRIVER

CDL Driver Training Program

Georgia ranks among the top 10 states in the nation for fatal crashes involving commercial motor vehicles. The Commercial Vehicle Safety Alliance (CVSA) has developed a Train-the-Trainer Seminar focusing on the driving behaviors of commercial drivers. The program helps build on drivers' existing knowledge and training while addressing many topics not normally outlined in other driver training materials. The program includes five different training subjects and customized training materials are provided for each subject. The five subjects are:

1. Defensive Driving Part I
2. Defensive Driving Part II
3. Following the Rules of the Road
4. Beyond Distracted Driving (Work Zones and Rural Roads)
5. Defeating Distracted Driving

GMTA and CVSA have teamed up to provide this valuable training to motor carrier personnel who are in positions to train and/or oversee driver training and performance. The sole purpose is improving professional commercial motor vehicle (CMV) driving behaviors. All students attending the class will receive a thumb drive with all the training material so they can take them back and use them in their companies. Each class is 3 hours long and includes 5 modules of study.

The cost for each seminar is \$49 for GMTA members and \$99 for non-members

✓ Yes, we will join GMTA for the CVSA Seminar:

Monday, September 12: Marietta, GMTA Office-2060 Franklin Way SE, Suite 200-Marietta
