

Nominating for the GCLS Awards

Take the time to read through the guidelines. It's a lot of information, but it's important information: <http://www.goldencrown.org/page/Guidelines>

The awards system is a different software to the GCLS website; if it is your first time visiting the site, you will need to create a new account. If you have applied to be a judge this year or were a judge in the past 3 years, you are already in the system and can use the same account.

Please use proper spelling and capitalization. Don't type in all caps or all lowercase.

Hopefully your publisher has provided ebooks in the 3 required formats: epub, mobi, pdf. Please also ask them for a high resolution cover image. For Tee Corinne we need front and full-sized (front+spine+back) covers.

Nominate your book in only one of the genre categories.

Debut novels may be entered in Debut Novel plus one of the genre categories.

In addition, all eligible books may be entered in Ann Bannon and Tee Corinne.

New for 2018: nominators may add a purchase link for the book. We will post whatever link is entered, so we suggest using the direct link to the book rather than just the homepage like www.amazon.com. If no link is provided, we will not post one.

Different deadlines apply depending on publication date and category. If you missed a deadline or need an extension, contact us.

You can save a nomination then come back later to edit and finalize it.

Save all your nominations, then go to cart. The system will automatically calculate the total.
