

Mentor Application

The mission of the GOSHRM Bridges to Work Mentorship program is to provide a resource for Central Florida Veterans, through meaningful individualized relationships with GOSHRM professionals, so that the Veteran is better prepared to gain sustainable and competitive employment through our program.

Our goals are:

- To position Veterans to gain employment through employability skills such as interviewing, networking and branding
- Provide an outlet for GOSHRM members to serve the community through their profession
- Engage employers toward employing Veterans
