

California Groundwater Association

Scholarship Application

The California Groundwater Association (CGA) seeks candidates for \$2,000-\$4,000 scholarships. At least one scholarship is awarded to a recipient who demonstrates an interest in some facet of groundwater technology. Another scholarship in a non-water field of study may be awarded to an individual who is related to a CGA member.

When funds are available, a memorial scholarship shall be awarded to a CGA member.

1. Applications for groundwater related scholarships will be accepted from any person pursuing a major course of study in groundwater.
2. Applications for general field of study scholarships will be accepted from any person who has a family affiliation with a member of the California Groundwater Association (including employees of business members).
3. Applications for a Memorial Scholarship will only be accepted from any person who has a family affiliation with a member of the California Groundwater Association (including employees of business members).
4. Applicant must be a California resident and must show proof of current admission or entry acceptance at an educational institution within 6 months of scholarship award.
5. Grade point average to enter and retain eligibility shall be that grade point average required by the educational institution in its scholarship program.
6. Applicants shall provide a 500 word essay demonstrating their interest in ground water technology or their chosen field of study.
7. Letters of recommendation from professor, teacher, employer, etc. are highly valued.
8. Applications will be judged by the CGA Scholarship Committee which is appointed by the Board of Directors annually.
9. Funds are given to the institution's scholarship fund in the recipient's name.
10. Application, essay, and transcripts must be received at the CGA office by **March 15th** in order to receive consideration for a scholarship award.
