The Health Care Administrators Association is the nation’s most prominent nonprofit trade association working to improve the quality, sustainability and value of self-funding and health care benefit administration. For 35 years, HCAA has taken a leadership role in helping to transform the self-funding industry and American healthcare.

**BENEFITS OF JOINING HCAA**

- Gives an opportunity to collaborate, to mingle and to learn with my fellow TPAs.
- Provides a safe environment to talk about mutual issues and to discuss business solutions without fearing competition.
- Offers leading edge methodologies, ideas and solutions for TPAs from “frontlines” of self-funding.
- Makes available TPA-focused special discounts and services posted on HCAA’s Member Resources site.
- Affords a unique opportunity for industry education, to put on your “listening ears” and to get away from the noise of our daily business.
- Delivers a “lifeline” to TPAs to instruct them on industry trends, advances and new ways of doing business.
- HCAA is truly “TPA focused” – “Of the TPA, By the TPA and For the TPA!”

Attend HCAA’s industry leading conferences – listen, learn and have a little fun while you see what the future holds! Visit www.hcaa.org for more information on Membership!
