The New Lawyers Section presents:

Starting and Building a Freelance Practice

Want an alternative to working for a law firm? Not ready to hang your own shingle? Freelance attorneys work for other attorneys on a project basis. Come hear how Emerald Gratz and Karin Ciano, founding members of the Minnesota Freelance Attorney Network, started their freelance practices here in the Twin Cities. Ask questions about this fast-growing practice area. Learn how freelancing can aid a job search, supplement a solo practice, or even become a career.
