The Environmental Law Section presents:

Interdisciplinary Ethics: What Can Attorneys and Engineers Learn From Each Other About Professional Ethics and the Environment?

Featuring: **Louis N. Smith**, *Smith Partners PLLP*

Attorneys and engineers frequently work together for mutual clients who face important challenges in the stewardship of natural resources and the environment. This one hour seminar will compare and contrast the Rules of Professional Conduct for attorneys in Minnesota; Minnesota Rules Chapter 1805 of the Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience, and Interior Design; and the Code of Ethics of the American Society of Civil Engineers. We will identify key ethical principles from the legal and engineering disciplines, and then apply them to a series of case studies posing ethical and professional dilemmas in the environmental context.

Wednesday, December 2 • 12:00 p.m. at the HCBA or webcast.

1.0 CLE credit is applied for.

HCBA members can attend noon hour Committee and Section sponsored 1.0 CLEs at the HCBA office for free.

Register for programs at www.hcba.org or call 612-752-6600. *Beverages will be provided. Feel free to bring your own lunch.*
