Monday 15 July 2013

Nursing Informatics Conference
New Age Workforce: Blending Professional and Digital Behaviours

8.00-8.45am Nursing Informatics Australia AGM
9.00am Introduction and opening Chair: Marnie Linnane
9.15am The nursing e-volution...safety and quality by design! Ann Larkins OZ/Director, Information Services, Barwon Health
10.00am The role of the nursing informatics specialist – a critical success factor for implementing healthcare IT solutions Cherrie Lowe CEO/Director, TrendCare Systems
10.30am Morning tea
11.00am Testing type 2 Diabetes: Utilising telehealth in the urban, rural and remote settings Julie Randall Townsville Mackay Medicare Local
11.20am Computerised perinatal data collection: The midwives’ experience Alison Craswell University of Wollongong
11.40am Enhancing the experience of the Bachelor of Nursing (Advanced Studies) students at the University of Sydney whilst on clinical placement Dr Jennifer Hardy and Joseph Pendon University of Sydney
12.00pm New aged care: Bringing documentation methods for residential aged care into the 21st century Catherine Le Comn Edendcare
12.20pm Improving access to clinical resources to support nurses and midwives caring for patients within a large complex local health district: How are we doing? Sheryl Davis Hunter New England Local Health District
12.40pm Lunch
1.30pm Linking social determinants of health: Challenges and opportunities in indigenous informatics Prof Robyn McDermott Foundation Director, SA NT DataLink
2.00pm Telehealth as praxis for indigenous knowledge Michelle McGuirk Manager, Telehealth NT
2.30pm Social determinants workshop
3.00pm Afternoon tea
3.30pm Australian Indigenous ClinicalInfoNet – a new web resource for the prevention and management of chronic disease Kathy Ride Manager, ClinicalInfoNet, Australian Indigenous HealthInfoNet
3.40pm Closing discussion
4.30pm Summary and conference close Tom Shepherd Chair, II 2013 Conference
5.00pm Conferences conclude

Pre-Conference

Indigenous Informatics Conference
Linking Social Determinants of Health:
The Indigenous Informatics Challenges and Opportunities

8.45am Introduction and opening Tam Shepherd Chair, II 2013 Conference
8.55am Welcome to country address Aunty Josie Agius Kaurna Elder
9.00am Overcoming barriers to improved Maori health Teresa Wall Deputy Director General, Maori Health Business Unit
9.30am Challenges of chronic diseases in Indigenous communities Prof Alex Brown Director, Aboriginal Health Research, South Australian Health and Medical Research Institute
10.00am Indigenous health workshop
10.30am Morning tea
11.00am Privacy and security considerations for First Nations and Aboriginal communities Don Newsham CEO, COACH: Canada’s Health Informatics Association (CANADA)
11.30am An internet based electronic health record in a remote and rural community Dr Trevor Lord GP and Tiara Wilkinson Data Quality/Customer Service Officer, Kimberley Aboriginal Medical Services Council
12.10pm Electronic health records in remote and rural communities workshop
12.40pm Lunch
1.30pm Linking social determinants of health: Challenges and opportunities in indigenous informatics Prof Robyn McDermott Foundation Director, SA NT DataLink
2.00pm Telehealth as praxis for indigenous knowledge Michelle McGuirk Manager, Telehealth NT
2.30pm Social determinants workshop
3.00pm Afternoon tea
3.30pm Australian Indigenous ClinicalInfoNet – a new web resource for the prevention and management of chronic disease Kathy Ride Manager, ClinicalInfoNet, Australian Indigenous HealthInfoNet
3.40pm Closing discussion
4.30pm Summary and conference close Tam Shepherd Chair, II 2013 Conference
5.00pm Conferences conclude

Pre-Conference

II 2013 Networking Reception
6.30-9.30pm HISA State Branches and SIG Committee Dinner
HIC 2013 Keynote, Board and Sponsor Dinner

**Workshops**

1. **Workshop 1**
   - Chair: Dr Brendan Lovelock
   - Topic: A roundtable panel debate with over 30 of Australia’s leading thinkers in healthcare including, clinicians, facilities designers, policy makers, social planners, engineers and health ICT specialists.
   - Facilitated by Monica Attard GAM

2. **Workshop 2**
   - Chair: Jamie Ferguson
   - Topic: E-health NSW – Patient Trajectories

3. **Workshop 3**
   - Chair: Dr Keith Joe
   - Topic: Efficiency and patient flow in health
   - Australian Centre for Health Innovation
   - Ian Gibson
   - Health Care Delivery Modelling
   - Process improvement and change management to improve
   - Joanne Egan
   - Health Flow Solutions
   - Redefining healthcare interaction between patients and healthcare providers
   - Anne Marie Hadley
   - The Chris O’Brien Lethal Cancer Centre
   - Panel Discussion

4. **Workshop 4**
   - Chair: Bernadette Gibbons
   - Topic: Digital Service Delivery
   - NSW Health
   - Marie Pryor HealthShare NSW
   - Angelica Bailliez Esi
   - Integrating a mobile health setup in a chronic disease management network
   - Dr Hang Ding
   - The Australian E-Health Research Centre, CSIRO

5. **Workshop 5**
   - Chair: Jeff Smith
   - Topic: Ignite-Style Presentations
   - The future hospital
   - Andrew Howard
   - Orion Health
   - Shift happens (informatics challenges and opportunities)
   - Alex Gray
   - Improvista
   - The uninterrupted healthcare network
   - Anton Goldman
   - Meru Networks
   - Optimising patient flow using NetMotion Unlimited
   - Ace Kent
   - Long Range Systems Australia
   - Specially workload management functions and reporting for nursing, allied health, medical and non clinical services
   - Chee Lowe
   - BairdCare Systems
   - Faster search, smarter answers
   - Courtney Mullien
   - Elsevier Australia
   - Search (and similarity)
   - Dr David Hansen
   - The Australian E-Health Research Centre
   - Diagnosing the layout – mapping better access to services
   - Damien Cassin
   - Esi Australia
   - Improving Healthcare using 3D simulation
   - Alan Sagan
   - Solai

Wednesday 17 July 2013

7.30am  Registration opens
7.40am-8.40am  HISA Breakfast & AGM
8.50am  Description of the scenario for the day
One very personal cancer journey narrative from within the HISA community
8.55am  Stones in the road: Navigating the cancer experience
Suzanne Roche General Manager Policy and Government Relations, Australian Information Industry Association
9.25am  Description of the scenario for the day
One very personal cancer journey narrative from within the HISA community
9.30am  Ministerial address
The Hon Tanya Plibersek MP Minister for Health, Department of Health and Ageing
9.45am  Building an information platform for cancer research and evidence-based healthcare
Dr William S. Dalton Founder and CEO, M2Gen (USA)

10.30am  Aged Care Informatics SIG Committee Meeting  MR02
11.00am-12.30pm  The Oncology Patient Journey  MR01
Workshop 4  The Oncology Patient Journey
Chair: Prof Ian Olver
11.00am  Improving the patient journey through e-resources: Wikis, modules for clinicians, the Heard website and more
Prof Ian Olver, Chris Wild and Jutta von Dincklage
Cancer Council Australia
11.15am  Innisfail: The Oncology Patient Journey
Eric Lauw
Telstra Applications and Ventures
11.30am  Property of people with long-term conditions to use personal health records
Dr Yu Long Gu
University of Auckland
11.45am  Using personal health information: Do we manage conflicting interests?
Sue Whetton
University of Tasmania
12.00pm  Improving the cancer patient journey
Matthew Crepaz
University of Western Sydney
Discussion
12.15pm  Applying virtual environments to dementia care
Mandy Salmon
Swinburne University
12.30pm  Aged Care Informatics AGM  MR02
11.45am  Comparative EPR Usability from the Clinician Perspective: What works and what doesn’t for improving care
Prof Steven Shaha
Allscripts Australia
12.00pm  The future challenges in aged care and the role IT plays
Martin Lawery
Catholic Health Australia

12.30pm  Lunch and exhibition  Hall H
## Wednesday 17 July 2013 cont.

### Workshop 6
**The Oncology Patient Journey**
- **Chair:** Prof Dorothy Keefe
- **Hall:** Hall E
- **Time:** 1.30-3.00pm

### Workshop 7
**The Consumer Led Revolution:** mHealth, eHealth and the Use of Interactive Digital Technologies for Health and Wellness
- **Chair:** Prof Stuart Smith
- **Hall:** Hall E
- **Time:** 1.30pm

### Scientific Stream 3
**Innovation and Quality**
- **Chair:** Prof Neil Robinson
- **Hall:** Hall F
- **Time:** 1.30pm

### Industry/Clinical Stream 3
**New Technology 2**
- **Chair:** Jeff Smart
- **Hall:** MR01
- **Time:** 1.30pm

### Aged Care Informatics 2
**Theory into Practice – the Delivery of a Quality Digital Aged Care Service**
- **Chair:** Dr Mary Lam
- **Hall:** MR01
- **Time:** 1.30pm

### Learning Exchange 2
**KPIs: The good, the bad and the ugly**
- **Chair:** A/Prof Hynek
- **Hall:** MR01
- **Time:** 1.30pm

### 1.30pm - 2.45pm

MENTAL HEALTH PATIENT JOURNEY

7.30am Registration opens

8.30am Description of the scenario for the day

8.40am Dr Panayiotis Tyllis Chief Psychiatrist and Director of Mental Health Policy, SA Health

8.55am Come in, the computer will see you now

9.00am Prof Gavin Andrews AO Professor of Psychiatry, UNSW at St Vincent’s Hospital, Sydney

9.30am Delivering treatment and prevention via the internet for mental health disorders and suicide risk

9.50am Prof Helen Christensen Executive Director, Black Dog Institute

10.10am Morning tea and exhibition

10.40am - 12.10pm

Workshop 8 The Mental Health Patient Journey

Chair: Prof Gavin Andrews AO

MR10 Internet treatment for anxiety and depression: Wins, losses, and everything in between.

A live demonstration of where technology is today

Prof Gavin Andrews AO UNSW at St Vincent’s Hospital, Sydney

MR11 Turning evidence into policy and funding outcomes: The mental health and better access story

Harry Lovelock Australian Psychology Society

E-health in Australia and elsewhere: A comparison and lessons for the near future

Randite Gajanayake Queensland University of Technology

E-health as a life long learning process: How to prepare health professionals for this journey

Dr Mary Lam University of Sydney

Understanding how clinical judgement and communicative practices interact with the use of an electronic clinical handover system

Dr Kwang Chien Yee University of Tasmania

Monitoring the impact of the electronic medical record on the quality of laboratory test ordering practices

Dr Andrew Georgiou Centre for Health Systems and Safety Research, UNSW

An e-health enabled collaborative care system for managing patients with chronic disease

Dr Marienne Hibbert Precedence Health Care

Scientific Stream 4 Policies, Initiatives and Skill

Chair: Dr George Morgan NR01 The disaster cardiovascular prevention network: Using interoperable technologies to mitigate CVD risk after the Great East Japan Earthquake

Chuck Parker Continua Health Alliance

Principles to assist with identifying viable and sustainable telehealth services

Dr Paul Taylor Deloitte Life Sciences and Healthcare

Technology: Essential but not sufficient

Joan Nelson The NTF Group

Discussion

Workshop 9 Turning Evidence into Policy, into Funding, into Outcomes

Chair: A/Prof Heather Grant

Hall E Building an educated health informatics workforce - the New Zealand experience

Dr David Parry Auckland University of Technology

Expanding telehealth services - lessons learnt from the UK

Janette Bennett BT

E-health as a life long learning process: How to prepare health professionals for this journey

Dr Mary Lam University of Sydney

Understanding how clinical judgement and communicative practices interact with the use of an electronic clinical handover system

Dr Kwang Chien Yee University of Tasmania

Monitoring the impact of the electronic medical record on the quality of laboratory test ordering practices

Dr Andrew Georgiou Centre for Health Systems and Safety Research, UNSW

An e-health enabled collaborative care system for managing patients with chronic disease

Dr Marienne Hibbert Precedence Health Care

12.10pm Lunch and exhibition

12.25pm Lunchtime briefing - ACHI, HIMAA and HISA Certification Information Session

Nigel Chartres Senior Consultant, 361 Degrees Stakeholder Engagement Services and David Rowlands Managing Director, Direkt Consulting and Board Member, HISA

Hall H

Learning Exchange 3

Chair: Dominic Melineux

Hall H

Including first nations in Canada

Susan Rand Global Village Consulting Asia Pacific

ClinicalKey Information is the key to better patient care

Fiona Stuart ELSower

Will your hospital be digital by default, or digital by design?

Denis Partridge Australia

The power of pictures

Anton Cush University of Queensland

The potential for a medicines verification system in Australia

Tanu Srinich GS1 Australia

An operational process driven approach to digital hospital design

Aldo Macolino Hewlett Packard Australia

Discussion
