The International Conference on Communication in Healthcare

*Hosted by EACH, International Association for Communication in Healthcare
In Partnership with the Academy of Communication in Healthcare*

Call for Submissions

We invite you to submit your work to the 16th International Conference on Communication in Healthcare for the following categories:

- Oral & Poster presentations
- Workshops
- Symposia
- Work in Progress for students and early career participants
- Something creative - the fringe
- Round table discussions
- Innovative technology for healthcare communication presentations

Please [click here](#) for a full list of detailed guidelines for submission.

[CLICK HERE TO ENTER THE SUBMISSION SITE](#)

We welcome submissions from all stages of careers. We especially encourage students and those in their early stages of career to apply, particularly for works in progress and innovative technology sessions.

Abstracts should be related to communication in healthcare, including all health-related disciplines and all healthcare professions and non-healthcare professions such as psychology, social sciences and education.

For a full list of conference topics please [click here](#).

Deadline for Submissions: Monday 5 February 2018

Notification of Acceptance: Monday 2 April 2018
