Dear Physician Assistants & Colleagues,

The Idaho Academy of Physician Assistants CME committee invites you to attend our 2016 Sun Valley conference. As in the past, the conference will provide practical updates that you can apply to your practice and patients, while you enjoy Sun Valley’s world-class hospitality and casual elegance.

Topics this year include: ADHD and Depression, Crohn’s Disease and Ulcerative Colitis, Hepatitis C and Liver Disease, Allergy Testing and Asthma, an interesting Expert Panel Discussion on Controlled Substance Abuse, and PI and SA CME!

Kidneys in a Box- PI-CME
A live, interactive discussion will provide all participants with 2 hours of regular Category I CME. During this discussion, a packet from the AAPA will be provided to each participant for completion at home, evaluating their own practice with respect to Chronic Kidney Disease.

When the completed packet is sent back to the AAPA, 20 AAPA Category I PI-CME credits will then be awarded at no additional cost to the participant!

The CME topics for this program were selected by monitoring trends in current therapies and medication advances as well as past program evaluations. By attending the conference, you will gain valuable information to assist you in the preparation for your certification exam as well as keeping you updated on important health care issues. Our goal is to enhance your ability to provide quality care to patients.

Please plan to attend the combined IAPA/NP Business Luncheon, which includes a legislative update and networking with your colleagues. And, lastly, don’t miss the IAPA Annual Awards Reception which will honor past IAPA presidents and offer an excellent opportunity to acknowledge your colleagues who were chosen as award winners during this fun evening of camaraderie! This event is free to registered PA-C and NPs only and one guest and will be held at Zinc Restaurant in Ketchum. Register for this event quickly! Space is limited and is first come first serve! Additional guests and children will be able to attend with an additional fee. We hope to see you there!

Finally, we can always use help. If you would like to volunteer to help with this or other IAPA committees, please send an email to Sara@idmed.org. Getting involved is a great way to meet other PAs and continue to advance the profession.

We look forward to seeing you in Sun Valley!

Thank you!

IAPA Board and CME Committee
