

Independent Insurance Agents of Houston

CONTROL of Well 101-

June 27 2017

the most requested topic by Houston insurance professionals

Houston is the heart of the Oil & Gas Industry and Control of Well is the most requested topic by Houston insurance professionals. If you want a course that will thoroughly educate you on Control of Well this is for you! You will obtain an in-depth look into how a well is drilled, how to identify the exposures, the basics of oil lease operations, coverage and coverage extensions, as well as a detailed look into activity reporting and the premium adjustment process. Bring your questions for the Q&A session.

Seating is limited—Register today!

This course is approved for 7.0 General CE Hours for Texas
