

Promoting all libraries in Indiana and fostering the professional growth of our members

Strategic Visioning Vision Statements approved by ILF Board, 3/9/17

We envision a future where...

....communities strongly support, value, and utilize libraries

....libraries are highly responsive to the changing needs of their communities

....people find and use information effectively and ethically

....libraries lead Hoosiers into the future information environment

....libraries initiate and implement innovations

....library staff have the skills and knowledge to provide exceptional service

....libraries and library staff are served and led by a strong, stable, and vibrant state-wide organization

On March 9, 2017, the ILF Board of Directors approved the Vision Statements recommended by the Strategic Visioning Steering Committee. The ILF Board recognized that wording may evolve slightly as the goals and objectives are more fully developed.
