## 2015 Innovative Medical Awareness Education Series

### How Does It Work?

**Step 1:** Register for one or more teleconference(s)/webinar(s). A few days before the session, you'll receive a confirmation with dial-in instructions, toll-free number, and all course materials. **You must provide a valid email address.**

**Step 2:** Make a copy of the course materials for each participant.

**Step 3:** Listen to the presentation while following along with the course materials. During the seminar, you'll receive instructions on how to ask questions.

**Step 4: Complete evaluation form online to receive CEU certificates for participants.** Discuss what you learned at the program with all members of your staff and work together to implement new ideas, policies, and procedures.

### Refund and Cancellation Policy

To cancel your registration, contact us at least seven working days before the seminar date for a refund, minus a \$10 processing fee, or a full credit toward the price of any IMA seminar scheduled during the following six months. Without advance notice, we cannot issue refunds or credits, but you are always welcome to have a substitute from your organization listen to the seminar. Cancellations by phone are not accepted, you must e-mail Stef at [seminars@idmed.org](mailto:seminars@idmed.org) or fax your request to 208-344-7903.

Please note that if you don't cancel or don't attend, you may request the recorded version for an additional \$5. If the IMA cancels, full refund applies or credit may be transferred to a subsequent session.

Due to your requests, all of this year's workshops will be recorded and available for purchase (along with handouts) on CD. CDs are available at the workshop price plus \$5 to handle the cost of producing the CD. There are no CEU's available when listening to a recording.

**All topics and dates are subject to change. Please check the IMA website – [www.idmed.org](http://www.idmed.org) – for updates and additional information on the session topics.**
