### **InterPride mourns Miss Vicky, long-time Pride ally**

It is with great sadness that InterPride learned today of the passing of Vivien Keller, known to the Pride family and to South Florida LGBT's community as "Miss Vicky".

A regular attendee of InterPride's annual world conference, Miss Vicky founded AIDS Center One and the Womynsong Lesbian Chorus in Fort Lauderdale. Her involvement in the LGBT community further included her participation in Pride parades and on Pride committees, as well as her wonderful performances in bars and LGBT venues in South Florida.

Throughout her life, Miss Vicky brought kindness and delight to our community.

Our thoughts are with her family, her friends, the Pride South Florida team and the LGBT community in Fort Lauderdale.

With sadness,
