

CD(SA) ASSESSMENT CALENDAR 2018

The CD(SA) is a professional designation offered by the IoDSA to recognize mastery in directorship. The aim of the 3 part assessment is to determine whether the individual is competent against each of the 20 competencies included in the Director Competency Framework.

Details of this process are presented in the CD(SA) Handbook.

The process is presented in the figure below.

In 2018, there will be two intakes for CD(SA).
