

START SAVING TODAY WITH THE ISBA CLE SEASON PASS!

Members can save on CLE costs by becoming an ISBA CLE Season Pass holder today. With the annual pass, ISBA members receive free admission for one year to all ISBA live seminars, live webinars, telephone presentations, as well as unlimited access to the ISBA On-Demand Catalog. The cost is only \$600, a fraction of the price one would pay without the pass.

The season pass guarantees the pass holder tuition-free admission for one year, however, co-sponsored events and non-CLE portions of events are not included. Purchase of the ISBA CLE Season Pass includes CLE outlines, most of which are available at no further cost. For events where a separate charge for hard copy materials exists, such as the Bloethe Tax School and Annual Meeting, seminar materials will be provided electronically at no additional cost. This pass is for ISBA members only and cannot be used by anyone other than to whom the pass is issued. Under no circumstances will the term on any ISBA CLE Season Pass be extended beyond a 12-month span.
