Waiver of IRP Requirements for Connecticut

Due to the anticipated impact of Hurricane Sandy on the State of Connecticut, Governor Dannel P. Malloy declared a civil preparedness emergency on October 27, 2012.

In response to this emergency, the Commissioner of Motor Vehicles has authorized a temporary waiver of IRP registration for the purpose of ensuring that essential emergency relief supplies, equipment and services reach the impacted areas. This waiver applies only to out-of-state vehicles that are properly registered and are responding to the emergency, including vehicles transporting relief supplies and equipment, utility company vehicles, tree service vehicles and vehicles used by relief agencies. This waiver will remain in effect until further notice.
