Re: State of Georgia Fee Change to add "Annual Alternative Ad Valorem Tax"

Dear Sir or Madam:

This Letter is to inform that the State of Georgia has enacted legislation which assesses a weight-based "annual alternative ad valorem tax" for all apportionable vehicles registered under the IRP Plan in addition to the current registration fees. Annual alternative ad valorem tax shall be apportioned on the same basis and in the same manner as the registration fees. This fee change applies to all original, renewal, and supplement applications with a supplement effective date of January 1, 2014 and thereafter. (New fee schedule enclosed as an attachment)
