Dear Mr. Adams,

Missouri is granting a waiver of fees for Missouri International Registration Plan (IRP) and International Fuel Tax Agreement (IFTA) permits for the purpose of assisting Oklahoma due to the disaster. However, permits are required to be issued and carried in the vehicle while traveling through Missouri and may be obtained by contacting MoDOT at **866-831-6277**.

Missouri will allow these waivers of fees from IRP and IFTA beginning Friday, May 24, 2013 thru Friday, June 14, 2013.

For more information or questions regarding the waiver of permit fees please contact Davin Greeno at 573-522-5236.

Sincerely,
