Subspecialties include multiple sclerosis, neuromuscular, neuro-ophthalmology, neuro-rehabilitation, epilepsy, stroke, headache/pain, and sleep. See clinic patients during each weekday from approximately 8:00 am to 4:00 pm. Schedule is Monday-Friday, no weekends, nights, or holidays. Work in collaboration with the medical director and other neurologists to manage and treat movement disorders and other related neurological disorders. Perform pertinent history and physical examinations on new patients and carry out follow up visits with established patients. Teach patients and their significant others regarding signs and symptoms of movement disorders and risk factors. Monitor data and alter care
Peoria, IL – Neurology – Stroke: The Illinois Neurological Institute and OSF Saint Francis Medical Center seek an APN to join their stroke neurology team. Under the supervision of the Stroke Service Director, and the other Neurologists in the absence of Stroke Service Direct, manage and treat various cerebral vascular disease and other related neurological disorders. In November 2012, the Illinois Neurological Institute Stroke Center at OSF Saint Francis Medical Center became the nation’s second certified Comprehensive Stroke Center. Comprehensive Stroke Center Certification recognizes those hospitals that have state-of-the-art infrastructure, staff and training to receive and treat patients with the most complex strokes. The INI Stroke Center at OSF Saint Francis underwent a rigorous onsite review by Joint Commission experts to ensure compliance with the Comprehensive Stroke Center standards and requirements including advanced imaging capabilities, 24/7 availability of specialized treatments, and staff with the unique education and competencies to care for complex stroke patients. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Peoria, IL – Neurosurgery: The Illinois Neurological Institute and OSF Saint Francis Medical Center seek an APN for neurosurgery. Reporting to the Neurosurgery Medical Director, the Advanced Practice Nurse/Clinical Nurse Specialist serves as a clinical expert for the neurosurgery patient population using advanced practice skills in a collaborative relationship. The Advanced Practice Nurse (APN) stands as a role model for quality care, professionalism, and patient advocacy for members of the healthcare team. The APN provides clinical leadership and serves as a charge-agent for interdisciplinary groups in designing and implementing innovative alternative solutions that address system problems and patient care issues across the continuum of care. The APN integrates clinical practice, education, research, management, leadership, and consultation. In collaboration with the supervising Physician and according to the professional nursing standards of care and established protocol, policies and procedures, the APN performs services that include: history and physical exams; ordering, conducting, and interpreting diagnostic and laboratory tests; and prescriptions of pharmacological agents and non-pharmacological therapies. The APN provides intraoperative surgical first assisting. Demonstrates the knowledge and skills necessary to provide patient care that is appropriate to the ages of the patients served. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Peoria, IL - Psychiatry and Psychology: Dynamic Psychiatric and Psychology practice actively seeks an Advanced Practice Nurse with specialized training in Psychiatry. Located in Peoria, Illinois, our caring professionals in this practice site include two psychiatrists, seven psychologists, two RNs, and a supportive office staff. This opportunity offers a comprehensive benefit package including paid malpractice, CME, association and membership dues, health, life and dental insurance, matching retirement plan and other options. Voted as one of the ten hottest cities, Peoria offers a thriving community with the best of both worlds. Professional hockey, baseball, and indoor football sporting events are part of Peoria. Downtown hotspots, beautiful skyline, cultural events and entertainment offer the energy of a metropolis, without the congestion. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Peoria, IL – Vascular Surgery: HeartCare Midwest seeks a full time advanced practice provider to join its vascular surgery team. This position includes both inpatient and ambulatory clinic responsibilities. The APN in this position will provide surgery assistance for three board certified vascular physicians. Call requirements on weeknights and weekends, shared with other advanced practitioners. Includes rounding and surgical case call. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Rockford, IL - Family Medicine: Busy practice seeks a Nurse Practitioner or Physician Assistant to serve a growing community and patient base in Rockford, Illinois. A Family Nurse Practitioner or Physician Assistant with quality medical training is desired. Experience is required. The physicians at this practice site currently work with advanced practice providers and the practice clinic is located within Rockford and an easy drive to OSF Saint Anthony Medical Center. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Rockford, IL – Palliative Care: The Palliative/Supportive Care Nurse is an Advance Practice Nurse (APN) who provides clinical support, case management, consultation, education and program development functions for OSF Saint Anthony Medical Center. The Palliative/Supportive APN responds to referrals and provides care and
symptom management for patients and family/significant others across the life span. The Palliative/Supportive Care APN collaborates with physicians in providing care and symptom management based on physical, psychosocial, educational, safety, and related criteria appropriate to the age of patients served. The APN helps the patient develop an end of life plan that meets their wishes. The APN assists patients and families with post hospital discharge care planning as necessary and functions as case manager for patients of Saint Anthony Medical Center Palliative/Supportive Care Program. The APN will provide clinical consultation in symptom management. The APN in Palliative/Supportive Care, in collaboration with the Medical Director of the Palliative/Supportive Care, facilitates program development by working with the interdisciplinary Supportive Care team. The APN’s activities include writing evidence-based policies and procedures as required, internal and external marketing, and meeting with key stakeholders. The APN will develop and present educational programs and provide mentoring for nurses, physicians, other clinicians, patients and families in evidence-based palliative/supportive care. The APN will participate in quality improvement and research activities as applicable. The Palliative/Supportive APN will have 24/7 accountability for the Palliative Care Program. PLEASE CONTACT or send CV to: Elise Albers, OSF Medical Group Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org
