Peoria, IL – Cardiac Surgery/CVICU: OSF Saint Francis Medical Center is seeking an experienced advanced practice nurse to join our adult cardiac surgery team. This team member will work in our busy cardiovascular intensive care unit. This individual collaborates with physicians and serves as a key team member in a 24 hour directed multidisciplinary team model in a 32 bed adult heart unit. The unit consists of 12 CV ICU, 6 Cardiac Intermediate, 6 Coronary Care and 8 cardiac telemetry step-down unit beds. Over 600 cardiovascular surgeries are completed each year. Our high acuity ICU desires individuals with experience in the management of complex adult cardiac surgery patients, including ECMO. Ventricular assist device experience is beneficial. Requires experience in cardiology (prefer CV) with experience in an advanced provider role. Schedule is primarily days, but flexibility to work some nights and weekends is required. APN and PA providers work together to make their own schedule. PLEASE CONTACT or send CV to: Elise Albers, OSF HealthCare Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Peoria, IL – Neonatal Intensive Care: The Children’s Hospital of Illinois, a part of OSF Saint Francis Medical Center, is seeking a full time neonatal nurse practitioner. This 72-bed neonatal critical care unit is located in our Level III Perinatal Center, which provides comprehensive services to approximately 750 admissions per year. Join a team of 14 neonatal nurse practitioners (NNPs) and 6 neonatologists. The ideal candidate will have two years of experience in a Level III NICU. All NNP candidates must have completed an accredited advanced practice nurse training program and up to one year of education in a neonatal nurse practitioner program. NNPs work primarily 12-hour shifts and a mix of days and nights. HFOV, ECMO, and a pediatric cardiac surgery program are available. The Children's Hospital of Illinois has participated in the Vermont-Oxford CQI Collaborative since 1997. PLEASE CONTACT or send CV to: Elise Albers, OSF HealthCare Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org
Princeton, IL – Rural Health/Family Medicine: Exciting opportunity for a full-time, experienced, hospital employed, family nurse practitioner to be part of a new rural health clinic. Family nurse practitioner will work through a collaborative agreement with a family medicine physician to provide care and services to patients from pediatrics through geriatrics. Family nurse practitioner would need at least three years of experience in primary care, be licensed to practice in the State of Illinois, and must be board certified as a family nurse practitioner. Nursing experience in primary care and/or emergency medicine a plus. The nurse practitioner will be providing services at two locations The first location being within the medical office building of the hospital, and the second location less than 20 miles from the hospital. The nurse practitioner would be required to provide coverage in the physician’s absence, to include call coverage. Opportunity provides competitive benefits including health, dental, two generous retirement options to choose from (IMRF or 200% match Perry retirement plan), CME, and Paid Time Off – plus voluntary benefits. New hire package includes sign-on bonus, relocation and student loan repayment assistance. PLEASE CONTACT or send CV to: Elise Albers, OSF HealthCare Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org

Rockford, IL – Palliative Care: OSF Saint Anthony Medical Center is seeking a nurse practitioner or physician assistant to join its growing palliative care team. The ideal applicant should have experience in caring for patients and families who are faced with a variety of chronic, progressive illnesses. As a member of an interdisciplinary team, excellent assessment, communication, and collaboration skills are vital. Responsibilities include collaboration with all members of the healthcare team and facilitation of discussions with patients and families regarding their illnesses, benefits and burdens of various treatment options, and responses to current treatments. The NP or PA will educate patients and families regarding typical illness trajectories and assist them with completion of advanced care planning consistent with their goals, beliefs, and values. The provider will also work closely with the interdisciplinary team to assure impeccable assessment and treatment of any patient or family physical, psychosocial, or spiritual symptom burdens associated with their illness. The palliative care team and the candidate will support continuity of care as they remain available to the patient and family from day of consultation through hospital discharge. PLEASE CONTACT or send CV to: Elise Albers, OSF HealthCare Physician Recruitment Ph: 309-683-8357 or 800-232-3129 press 8; Fax: 309-683-8353 E-mail: elise.m.albers@osfhealthcare.org Website: www.osfhealthcare.org
