

**Illinois Section AWWA
Outreach Program Resource Request Form**

Name: _____
Organization: _____
Contact Phone: _____
Contact Email: _____
Address: _____

Materials Requested

Request print and electronic resources to use as curriculum supplements. Indicate how many copies of stock resources you are requesting, or provide a description of any other physical resources you are requesting.

DVD – Illinois Drinking Water (grade 3 and up) _____
Booklet – The Story of Drinking Water (grades 4 – 6) _____
Activity Book – Water Wonderful (K – 3) _____

Other (Please Describe):

Financial Resources Requested

ISAWWA offers reimbursement for field trips to water facilities such as treatment plants and pumping stations. In addition to the information below, we will ask you to submit receipts and a written summary (with photos if possible) following your field trip to indicate what your students learned.

Amount of Funding Requested: \$ _____
Proposed Date of Event: _____
Number/age of students attending: _____
Water utility you are working with: _____

Purpose of Resources Requested (provide narrative – attach additional pages if necessary):

Resource Request Form Additional Information

Attach any supporting information about your program that you think may be helpful in defining the benefit to the students or to the drinking water industry.

Please allow 14 days for consideration of requests. Subsidy requests for field trips (bus or other costs) must be submitted before the field trip to be eligible for funding. All requests will be considered, but funding or other resources are not guaranteed.

Return completed form and attached information to:
