

If you have never been to a JAINA Convention, it is an experience you will cherish forever.

This time of learning and celebration will include:

- Religious & spiritual discourses by prominent sadhu, sadhvijis, scholars and scientists
- Programs on improving Quality of Life (Health & Well-Being)
- Entrepreneurship and Professional Networking
- Family and community reunions
- Garba and Cultural Programs
- Separate programs for Youth Activities and YJP (Young Jain Professionals) & Jain Milan
- Kids Club
- Trips to local Jain Centers
- Delicious Jain and Vegan Food
- Entertainment Programs
- Famous Local Attractions for vacation

If you have not already, we encourage you to register yourself and your family to come and participate in our convention. If you have already registered, we request you to ask your friends, who may not have yet considered, to register and participate in this convention. This is a one of a kind biennial experience, the only significant Jain networking event worldwide, and this time in New Jersey.
