## Kern County Bar Association and KCBA Charitable Foundation

*Membership Application*

### Kern County Bar Association

**Mission Statement and Goals:** The Kern County Bar Association provides leadership in advancing the professional interests of the membership and serving the legal interests of the community.

- Promote professional development and improve participation by all members.
- Foster cooperation and goodwill between the legal profession and the community, and disseminate information to the public.
- Build and maintain programs to assure financial stability.
- Facilitate the use of technology in the practice of law.

### KCBA Charitable Foundation

The Kern County Bar Association Charitable Foundation was established in 2000 to preserve and enhance public trust in the legal system and the legal profession. The Foundation provides an outlet for charitable giving that recognizes, promotes, and encourages professionalism, equal access to justice, and public awareness of the role of judges and lawyers in our community. The Foundation's focus is to support youth-oriented, educationally-related activities, events, and opportunities.

Together we are able to contribute to local programs benefitting students such as Open Doors to Federal Courts, Kern County Mock Trial, Ready-Set-Back-2-School, and the Judge Wallace scholarship. In addition, we donate 400 books annually to local schools in celebration of Constitution Day.

We are able to continue this work, year after year, because of the generous support of Kern County Bar Association members and our community.
