LACPA is approved by the American Psychological Association (APA) to sponsor continuing education for psychologists. LACPA maintains responsibility for the programs and their content. LACPA also is approved by the Board of Behavioral Science as a provider of Continuing Education Units (CEU) for MFTs and LCSWs: Provider No. PCE 276. The licensee is responsible for maintaining records of completed continuing education coursework. LACPA supplies a document that certifies the licensee was present for the entire program and earned the continuing education credits.

It is important to note that APA and BBS continuing education rules require that LACPA only give credit to those who attend the entire workshop. An evaluation of the workshop must be completed. Those who arrive more than 15 minutes after the scheduled start time or leave before the workshop is complete will not receive CE credit. Partial credit may not be given.

Cancellation Policy: To receive a refund, a written request must be received by the Monday preceding the program. Refunds will be processed within 30 days. A \$35 processing fee is deducted from all refunds. Should it become necessary to cancel a course, those who have registered will be notified in writing, and the full course fee will be refunded.
