HOSPPAC is the political action arm of the Louisiana Hospital Association. HOSPPAC serves as a vehicle to develop political awareness and an understanding of the political process with the objective of electing public officials who support the healthcare industry in Louisiana. HOSPPAC is an independent, bipartisan organization, not affiliated with any political party. HOSPPAC Objectives: To promote the improvement of healthcare in Louisiana and the health of our residents, to establish a climate where hospitals can continue to survive and thrive, and to raise funds for the purpose of supporting candidates who best represent this philosophy.

For over thirty-five years, hospitals have turned to the specialized programs provided by the Louisiana Hospital Association (LHA) Trust Funds and HSLI. Just as healthcare constantly changes, so must each hospital’s insurance coverage. That is why the LHA Funds offer flexible options that are designed for today’s healthcare facilities. Through programs managed by a board made up of hospital administrators, the stable, secure LHA Funds guarantee real value when it comes to providing Hospital Professional Liability, Physicians Professional Liability, General Liability and Worker’s Compensation Coverage.

The American Hospital Association (AHA) is the national organization that represents and serves all types of hospitals, healthcare networks, and their patients and communities. Close to 5,000 hospitals, healthcare systems, networks, other providers of care and 40,000 individual members come together to form the AHA.

Through their representation and advocacy activities, AHA ensures that members’ perspectives and needs are heard and addressed in national health policy development, legislative and regulatory debates, and judicial matters. AHA’s advocacy efforts include the legislative and executive branches and include the legislative and regulatory arenas. Founded in 1898, the AHA provides education for healthcare leaders and is a source of information on health care issues and trends. For more information, visit www.aha.org.

The LHA Institutional members are divided into the following geographical Districts:

- Bayou
- Northwest
- Central
- Southeast
- New Orleans
- Southwest
- Northeast

Each District, by a two-thirds (2/3) vote of its membership present and voting, adopt Bylaws for its governance, which are subject to review and approval of the LHA Board of Trustees. In addition, each District elects from among its voting membership a President, a President-Elect, a Secretary-Treasurer and a District Trustee. The Trustee represents the District on the LHA Board.

Each District meets at least four times a year. The LHA President & CEO and/or other LHA executive staff routinely attend these meetings to bring information on new initiatives and projects, as well as to solicit member feedback on LHA activities. All member CEOs or their designees are encouraged to attend these regional meetings for the exceptional networking and informational opportunities they offer.

You’ve known us as a GPO.
Now you’ll know us as so much more.

Yes, we’ve changed our name. But that’s not all that’s different. At Intalere, formerly Amerinet, our services go beyond a GPO to your entire spend. From supply chain management to consulting, we listen to you and work with your organization to tailor solutions specifically to your needs.

Visit us at Intalere.com or contact C.J. Tuminello at C.J.Tuminello@intalere.com or 877-711-5700 ext. 8523 to learn about our vast array of offerings.
One Team, One Solution

Managing compliance and risk across your organization takes a team. At Compliance Partners, our team works with you to customize solutions that meet your organization’s needs. Compliance Partners supports your compliance and risk team with certified specialists, comprehensive process solutions, and best-in-class technology. So you can stay focused on what you do best—providing high quality healthcare.

Let’s get to work together, right here in Louisiana.

Emergency Preparedness

When 3.2 million people call 911, Acadian responds.*

1 OF THE LARGEST PROVIDERS

As one of the largest ambulance providers in the nation, Acadian has the assets, capabilities and skills needed to provide expert emergency medical transportation.

45 YEARS EXPERIENCE

Founded in 1971, Acadian has earned a reputation for providing innovative, efficient and effective emergency medical transportation.

500+ UNITS

Acadian’s advanced fleet of ambulances, helicopters and fixed-wing aircraft enables us to scale our response based on the situation.

*refers to the population of Acadian’s 911 response areas in Texas, Louisiana and Mississippi.

Acadian is nationally accredited by the Commission on Accreditation of Ambulance Services.

Knowing life matters

Acadian.com
Louisiana has been awarded approximately $2.89 million in the Health & Human Services (HHS) Hospital Preparedness Program Grant for FY 2016-2017 grant period. Funds will be distributed to hospitals and Emergency Medical Services providers to be used toward the priorities outlined by federal guidance.

The LHA sincerely appreciates CEO/Administrator support for individual hospital participation in the Hospital Preparedness Program.

This year’s grant goals, now called Capability Planning Guides (CPGs), continues with reliance upon the regional infrastructure and the roles of the Designated Regional Coordinators (DRC) and the Designated Regional Hospitals (DRH) across the state. Individual hospital participation in HHS activities will continue to be crucial as hospitals increase their surge capacity to prepare for not just a pandemic flu event but for all hazards events, including Ebola Preparedness and Zika Virus.

The ultimate goal of the Hospital Preparedness Program is to improve hospitals’ emergency preparedness and response capabilities. While it is recognized that issues such as hospital size, type, and location impact emergency response capabilities, all hospitals are valuable in these planning efforts. To find out more about emergency preparedness deliverables and funding allocation activities, contact:
