1) Conference Highlight: Keynote Dr. Lowell Catlett

The League is excited to welcome back Dr. Lowell Catlett as our opening keynote speaker. Dr. Catlett receives rave reviews for his keynotes, and his past engagement in Kansas a few years ago was no different. Here's what one conference attendee had to say on our evaluation: "Dr. Lowell Catlett was the best Keynote speaker I've ever seen. Well done in booking him!"

Come hear the latest topic he has to offer, *Blueprint for an Eden* – but [register now](#), because you can only get his presentation in person!

2) Governor's Water Conference

This year's Governor's Water Conference will take place November 18-19, at the Hilton Garden Inn and Conference Center in Manhattan. This year's conference will include information on our state's water supply, the declines with the aquifer, increased focus on state reservoirs, and strategies the state may pursue to address these issues.
