## 2) Voter Registration Deadlines Approaching

Changes in election laws in recent years have brought new deadlines for registering to

vote. Coming up very quickly (next Wednesday, June 1 at 12:00pm) is the deadline for *current voters to change party affiliation*. Individuals can check to see if they are registered to vote and what their party affiliation is by going here.

If you are registered to vote and are affiliated with a party, after noon on June 1 you will not be allowed to change that affiliation until after the Aug. 2 primary results are certified. Kansans may register to vote or change their registration information online with a valid Kansas driver's license or non-driver identification card. They may also make changes at their county clerk's or election officer's office.

Individuals who are registered to vote but are "unaffiliated" are allowed to declare a party up to the August 2 primary election. Kansans who are not registered to vote have until the twenty-first day before any election to register to vote.
