The National Safety Council's First Aid, CPR and AED curriculum is recognized Federal OSHA and Pennsylvania Department of Health, and complies with the latest guidelines as outlined by the American Heart Association.

**When someone suffers an injury or sudden illness, from the time of the event until the ambulance arrives:
YOU could help save their life!**

First Aid is the immediate care given to an injured or suddenly ill person until competent medical care, if needed, is obtained. The ability to recognize a serious medical emergency and knowledge of how to get and give help may mean the difference between life and death.

Cost Per Student
