

MACP Member Benefit: Three Unique Listservs

Welcome to the Michigan Association of Chiefs of Police listserv. The MACP provides three listservs as a benefit of membership to the association. This unique service allows our members to seek advice, legislative alerts, policy input, training opportunities, equipment and vendor recommendations, and other information from their professional peers. This welcome guide will provide you with a description of each of our listservs, the general rules for each list, and information on how to activate an account. **Please note that all communications on any of our three listservs are subject to FOIA and the MACP makes no guarantee of confidentiality.**

Chiefs Listserv (CHIEF-L@list.emich.edu)

The Chiefs listserv is open to active voting members of the MACP, which will generally be the Chief or Director of Public safety for an agency. This exchange of information on this list should be on subjects that are applicable to the head of an agency.

- Limited to the Head of a Public Safety agency who is also an Active Voting member.
- For professional communication limited to business related matters pertaining to the head of an agency.
- All postings require a signature block with the sender's name, department, phone number, and email address.
- Responses to postings that do not ask for information will be sent directly to the poster and not responded to over the listserv. Examples of some of these types of communications are retirement announcements, illnesses, in-the-line-of-duty announcements, etc.
