

Minnesota GIS/LIS Consortium 27th Annual Conference & Workshops

Student Assistant Program

Sanford Center, Bemidji, MN: October 4-6, 2017

The Minnesota GIS/LIS Consortium is pleased to offer the Student Assistant Program. Student assistants will assist the Consortium with a variety of operations at the annual conference including registration, monitoring sessions, communications, and logistics. Assistants will also have opportunities to meet with an experienced mentor, attend technical sessions, and network with other students and GIS professionals.

Requirements:

- *Full time students* enrolled in an accredited college or university;
- *Familiarity with GIS software and geospatial applications;*
- Available to begin work **Wednesday morning (October 4, 2017)** of the conference; and
- **No previous acceptance** in either the Esri Student Assistantship, the Minnesota GIS/LIS Student Assistant Program or any similar program.

What Student Assistants Will Receive:

- Registration to the conference;
- Hotel accommodations (shared with other assistants);
- A chance to learn more about GIS technology;
- An experienced mentor; and
- The opportunity to network with other students and GIS professionals.

Students are responsible for their own travel and personal expenses.

Follow these steps to submit your application:

Submit a cover letter including:

- Your contact information (phone number and E-mail address);
- What you hope to gain from this experience;
- Your academic interest in GIS; and
- Your experience with GIS.

E-mail your cover letter, resumé and two letters of reference (*preferably one from a professor*) to kitty.hurley@state.mn.us with your email subject titled **"MN GIS/LIS Student Assistant Program"**.

Please submit your letters of reference with your cover letter and resumé.

**Applications must be submitted
by July 14, 2017**

**Selected students will be notified
by August 11, 2017**
