Closing and Optional Happy Hour

### Sustainability Metrics, GHG Management, EHS Compliance...

Meet with your peers in Chicago, Boston and Atlanta to identify and discuss the critical EHS management issue facing you!

This one day event will leverage the experience and knowledge of the attendees to seek new strategies for advancing EHS programs in today's business climate. Attention will be given to identifying which issues have remained as priorities on senior managements' agendas and how EHS professionals can continue to demonstrate the business value of their programs.

### Come prepared to share your knowledge and experiences!

### PROVEN, LEADING-EDGE CONFERENCE FORMAT

The first half of the day will be devoted to a new interactive conference format known as "unconferencing". Through this facilitated approach, attendees will systematically identify the hottest topics and key issues the group would like to address. Attendees will break into smaller facilitated groups around these topical areas and report back on their learnings.

### FOCUSED BENCHMARKING AND LEARNING SESSIONS

The second half of the day will be dedicated to presentations, discussions and an onsite instant benchmark on foundational EHS issues including:

- > Regulatory Update with Emphasis on GHG Regulation
- > EHS Staffing and Structure Trends
- > The State of Corporate Sustainability

### COST

NAEM Members: \$349

In-House EHS Managers: \$389

Consultants and Service Providers: \$499

Don't miss this excellent opportunity to get out of the grind of day-to-day survival management and hear how your peers are tackling the EHS and Sustainability challenges of the day.
