Subject: Discontinued Badger Fire Extinguisher Models

Date: May 2002

To help ensure fire extinguisher product listings are correctly maintained in the field according to various regulations, Badger Fire Protection is happy to provide fire equipment service companies with a comprehensive list of older fire extinguisher models that have been discontinued. Replacement parts are no longer manufactured for these particular models.

To comply with various fire protection service and approval agency listing requirements explained in Badger Technical Bulletins #106 and #110, the following units are listed by agent type, model and size.
