NAIFA Keeps Advisors in Business

According to the Bureau of Labor Statistics, the financial services profession will need to grow more than twice as fast as the overall workforce by 2020 to meet rising demand.

NAIFA's LUTCF program develops survival skills like prospecting, selling and practice management. Many credit the LUTCF designation for keeping them in business early in their careers.

New advisors benefit from NAIFA's Young Advisors Team, which is very active in Iowa. This vibrant, active member group provides the networking support and motivation they need to grow their knowledge and stay in business.

As the modern family evolves, even seasoned advisors need to learn how to serve clients in different ways. Through targeted programs developed for every stage in an advisor's career, NAIFA members are equipped with the practice management tools, sales ideas and research they need to thrive in the ever-changing marketplace.

NAIFA Protects Our Industry

- ▶ 100% of federal lawmakers have a NAIFA member as a key contact.
- ▶ NAIFA is the ONLY industry organization with a member in EVERY congressional district.
- ▶ Only NAIFA represents advisors in every practice area.
- ▶ No other industry organization protects your business on both the federal and state level.
- ▶ During the 2014 election cycle, NAIFA-National's political action committee (IFAPAC) disbursed more than \$2.6 million to 423 candidate campaigns and committees.
- ▶ NAIFA-Iowa's state PAC actively supports candidates for state office.
- ▶ NAIFA-Iowa retains a lobbyist in Des Moines to advocate on state issues affecting our industry.
- ▶ NAIFA-Iowa's local associations and individual members play an important role in NAIFA's grassroots advocacy efforts by developing and maintaining relationships with federal and state legislators.

2016-2017 NAIFA-Iowa Marketing Opportunities

Annual Sponsorship Program *(continued)*

Web Site & Social Media

In 2014, NAIFA-Iowa launched a new Web site that includes a robust online community where members can connect with other members to share ideas and network, chat with other members who are online, maintain profile pages to promote themselves and their practices, post questions to the community blog, and even share photos with their connections.

Annual Sponsors receive recognition on our home page and have access to exclusive online advertising and social media promotional opportunities. For example, a Gold Sponsor will have their company logo incorporated into our Facebook cover photo for a period of time so that whenever someone visits our page to view or comment on a post, they'll see the sponsor's logo. Gold sponsors can also place a rotating ad on our home page slide show for up to 30 days. (The schedule and length of the placement is contingent on the number of sponsors wanting to take advantage of this opportunity and the timing of marketing campaigns for state programs.)

Iowa Advisor Magazine

NAIFA-Iowa's quarterly magazine is distributed in March, June, September and December to approximately 1,100 members and 150 state legislators. We also send each issue to the NAIFA National board and staff, as well as each State President and State National Committeeperson, adding up to more than 150 additional NAIFA members across the country. All Annual Sponsors will be recognized in each issue; with Bronze Sponsors receiving a quarter-page black and white advertisement; Silver Sponsors receiving a half-page black and white advertisement; and Gold Sponsors receiving a full page advertisement, which may be black and white or full color, depending on the number of Gold Sponsors and content of that issue. Gold Sponsors will be guaranteed at least one premium cover (full color) placement

during the year. All Annual Sponsors will also be welcome to submit articles for the magazine, which must be focused on professional development or sales ideas to benefit our members.

eBlasts

NAIFA-Iowa also will distribute one eBlast each year for Silver Sponsors and four eBlasts each year for Gold Sponsors. The content must be provided by the sponsor in a format ready for distribution and approved by NAIFA-Iowa. The scheduled distribution date also must be approved by NAIFA-Iowa.

State Day on the Hill

NAIFA-Iowa's annual Summit is heavily promoted to members via social media, the Web site, email and direct mail. All Annual Sponsors receive one complimentary registration to the event. Gold and Silver sponsors receive recognition in all online and email communications regarding the event, as well as the opportunity to distribute a company flier to event attendees. Gold Sponsors also are recognized on any direct mail promotions and may have an exhibit table at the event.

Annual Conference

NAIFA-Iowa's State Convention is our premier event of the year. The popular, day-and-a-half conference includes keynote presentations by industry icons and motivational speakers, as well as breakout sessions, networking events and exhibits.

We heavily promote the event via the Web site, social media, email and direct mail. The direct mail brochure is mailed to members and non-members throughout the state, for a total distribution of approximately 13,000. All promotional materials recognize our Annual Sponsors, and Gold Sponsors

have the added bonus of having their logo appear on the front cover of the direct mail brochure.

In addition to the recognition on marketing materials, all Annual Sponsors receive a complimentary exhibit table (which includes one complimentary registration and post-conference attendee lists), an ad in the onsite program (sizes vary based on sponsorship level), and sponsor recognition in the program, on screen prior to the general sessions and from the podium during the opening session. Gold Sponsors also may address attendees for up to five minutes from the main stage during one of the general sessions.

In addition, conference-specific sponsorship opportunities are also available if you want to increase your exposure prior to and during the event. A la carte conference sponsorship opportunities are described on the next page.

Note that, because our Annual Sponsorship program is available throughout the year and the sponsorship expires one year after you enroll, if your sponsorship is due to expire prior to the date of next year's conference, your sponsorship must be renewed before you would be recognized as a sponsor of next year's conference. For example, if your sponsorship expires on March 31, 2017 and the conference will be held in April 2017, you would not be listed as a sponsor until you renewed your sponsorship through March 31, 2018. The earlier you renew, the more exposure you will receive.
